On February 10th, 2020, West Easton Council voted to proceed in seeking a Recycling Grant that will be used to obtain a new $47,160 Leaf Vacuum.

If successful in obtaining the grant, the leaf vacuum will replace the 20+ y/o vacuum now being used by the borough.

The recycling grant will pay for 90 percent of the cost of the leaf vacuum.

10 percent of the cost will be paid for by the borough.

The cost to West Easton would be $4,716.

The announcement of the grant determination isn’t expected until late 2020. The image and specs of the unit:
